It Will Be Cooler Before Long

Up to now our Cut-Price Sale was mainly on light-weight clothing. That the sale was a success, both to our patrons and us, is evidenced that we have cleaned up most of our summer stock. The major part of Suits on hand now are medium heavy weights, bought for early spring and fall. There are about 225 Men's Suits in the lot. They consist of Gray Scotch Mixtures, Fancy and Plain Worsteds and quite a number of strictly Pure Wool Cassimeres. They are all ranged together on four tables.

ON FRIDAY MORNING, THE 17th, they will be put on sale at just

ONE-HALF OF THE REGULAR PRICE.

We need both the room and the money. Spot Cash will be the only terms. Money returned if not pleased with your purchase. We have not quite made up our mind how long we will continue the Half-Price Sale. BETTER COME SOON.
